Reconciliation

Is your church membership racially a reflection of your community? If not, and you have a desire to strategically reach out in love to the diverse community the Lord has placed you in - then RRM would like to help. A possible first step would be to attend a culturally different worship service, to start growing in understanding.

A few upcoming opportunities would be:
African American: Nov. 4, Scott will be speaking at Peace Missionary Baptist Church in Ford Heights. Chinese: Scott preaches at the SS Chinese Church every third Sunday of the month, and is often at "white" churches of various denominations. RRM also has good ties to some Hispanic Churches.

HOW YOU CAN HELP:

- Halloween Candy & Crafts for evangelistic Halloween alternative outreaches (Due by Oct. 27)
- Canned Hams, food, Bibles, tracts, for our Thanksgiving Basket outreaches on Nov. 4 & 18.
- "Christ the Greatest Gift" Christmas Toy outreach. Please try to have the cut off date as Sunday, Dec. 17.
- Pray... Lives are changed by God's love and power... not by our human efforts... we are seeking God's direction and blessings upon RRM's endeavors.
- Give... We are a faith based ministry... it will only continue if the Lord provides the funds... please prayerfully consider God's leading.
- For those interested in our Internet Ministry endeavors, please see the website for updates.

Ministries

Coming soon: www.boc.org – the Body Of Christ Online. A Christian Social Network website that will promote unity and collaboration in the Body of Christ.

It will also empower you to develop greater "Community" within your congregation and also provide witnessing opportunities across the street and around the world.

We are asking for prayer for this endeavor, details will be in our next newsletter. RRM has also come across three different opportunities that might significantly increase our ability to resource Urban Ministries. We are seeking God's guidance and direction. We also are in need of volunteer administration help as well as in other areas. God bless you & THANKS!
